Dear 7th grade Parent/ Guardian,

Olá e bem vindo de novo à aula de Português!

It is with great pleasure that I write to you once again to inform you about my expectations for your child this school year.

This year we will be reviewing and incorporating additional vocabulary and grammar in order to construct basic conversation and syntax. The most important thing in learning a language is to **PRACTICE**. That is why I encourage students to practice daily for at least 15 minutes. The more your child practices the more proficient and confident he/she will be in using the language in and outside of class.

This year students will continue working on their listening, reading, writing and oral skills in the Portuguese language. I am looking forward to working with my students this school year by helping them become global learners.

To develop all of this work, I will once again need your help and support. I believe that **Communication** between teachers and parents/guardians is the best way to guarantee the **success and quality of the student's education**. You can keep track of what we are doing in class, as well as what is required of students in terms of assignments, homework, etc, by checking my website: **www.malmeidateacher.weebly.com**.

Please feel free to contact me if you have any questions or concerns, or if I can assist you in any way. My email is **malmeida@hudson.k12.ma.us**

My best regards,

Maria Almeida
