☺Portuguese Class: IMPORTANT INFORMATION ☺

1. Every Portuguese class I need: My **BINDER** (with **paper**, **page protectors** and **dividers**) and a **pencil** and **pencil sharpener**.
2. When I get to the Portuguese class, I need to line up quietly and wait for Sra. Almeida to say: “Entrem”
3. Once in the classroom, I need to open my binder, write the date and review what I did/learned in the previous class.
4. I need to enter class in a quiet and respectful way.
5. If I am late, I need to come in quietly with a late pass.
6. If needed, I can get extra homework sheets in the homework folder for my grade level, or on Sra. Almeida’s website: **www.malmeidateacher.weebly.com**
7. My homework (TPC) goes in the TPC bin for my grade level.
8. My homework (TPC) is due the last class of the following week.
9. I need to raise my hand to participate in class.
10. I need to listen patiently and quietly when the speaker is talking.
11. I need to use an indoor voice during pair/group work.
12. I should only ask to use the bathroom the first 5 or last 5 minutes of class (except after lunch).
13. I should only ask to use the pencil sharpener when I do not interrupt instruction (having my own is actually best).
14. Paper / pencil sharpeners / and other materials are available in the classroom and have to be used respectfully.

15. My assignments/vocabulary sheets should be filed in my binder, in the page protectors and in the order that they are given to me.

16. I will complete a **CLASSROOM CONTRACT** with rules and expectations. If at any time I break a rule from the contract, the following consequences may take place:

- I may be given a verbal warning.

- I may be asked to “take a break”. The “take a break” seat is in the back of the room.

When asked to take a break, I need to do so quietly, fill in my reflection sheet, put it on Sra. Almeida’s desk and return to my seat quietly.

- I may be asked to move my seat.

- I may be asked to go to Mr. Gaffney.

- My parent(s) may be called.

17. Food and drinks are not allowed in the classroom (except for water).

18. Electronic devices cannot be used, except with teacher’s permission to complete class work.

19. “Help day” after school for Portuguese is on Wednesdays, unless otherwise announced.

I understand and agree to the rules and expectations of Sra. Almeida’s Portuguese class.
